The authors would like to make the following corrections to their published paper [1]. The changes are as follows:

Addition of an Author

Bongani Ncube was not included as an author in the original publication. The corrected Author Contributions statement appears here.

Author Contributions: Conceptualization, S.S., N.M. and B.N.; methodology, S.S., N.M. and B.N.; formal analysis, S.S.; investigation, S.S.; validation, S.S., N.M. and B.N.; resources, S.S., N.M. and B.N.; data curation, S.S.; software, S.S. and N.M.; writing—original draft preparation, S.S.; writing—review and editing, S.S. and N.M.; visualization, S.S.; supervision, N.M. and B.N.; project administration, S.S., N.M. and B.N.; funding acquisition, S.S., N.M. and B.N. All authors have read and agreed to the published version of the manuscript.

Missing Funding

In the original publication, the funder Water Research Commission (Project No. K5/2716/4). Private Bag X03, Gezina, 0031, South Africa to Bongani Ncube was not included. The updated funding section appears here.

Funding: This research was funded by the Southern African Systems Analysis Centre (SASAC) through the National Research Foundation (NRF), grant number 217301592; and the Water Research Commission (Project No. K5/2716/4). Private Bag X03, Gezina, 0031, South Africa. The opinions expressed in this study and the conclusions arrived at, are those of the authors, and are not necessarily to be attributed to the NRF.

The authors and the Editorial Office would like to apologize for any inconvenience caused to the readers and state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
