Message from the Editor-in-Chief

Ecologies (ISSN 2673-4133) is an international, peer-reviewed, open access cross-disciplinary journal, which provides an advanced forum for studies on all aspects of ecology. The journal publishes reviews, original research articles, and communications in this field. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible so that the results can be reproduced. We, therefore, invite you to be one of our authors, and in doing so share your important research findings with the global ecology community.

Editor-in-Chief

Prof. Dr. Valery E. Forbes

Aims

Ecologies (ISSN: 2673-4133) provides an advanced forum for all studies related to ecology. It publishes reviews, original research papers, and communications, as well as Special Issues on particular subjects.

The aim of *Ecologies* is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. Therefore, the journal has no restrictions regarding the maximum length of papers. Full experimental details should be provided so that the results can be reproduced.
